

COLLABORATIVE AGILE PROCUREMENT

A 2 day workshop, where even the most experienced people will take away new learnings.

Less Stress • More Success

ABOUT US

The *Integral* Group Limited (TIGL) is a down to earth, pragmatic consulting company who believe in bringing traditional rural values to city business. Our philosophy is simply to get on with the job and get results for our clients - but have fun while we are doing it.

Our areas of expertise include:

- procurement
- project management
- negotiating
- responding to tenders
- knowledge management
- facilitation techniques
- Section 17A reviews

We have:

- run over 350 procurement projects
- run over 40 procurement training workshops
- managed hundreds of projects
- run over 100 project management workshops
- helped over 80 clients respond to tenders
- worked with over 60 councils

Our consultants are passionate about providing clients with practical solutions that are appropriate for them. A common sense approach is applied to ensure our clients' solutions are successfully embedded with their business.

We do what we do well so you can do your core business well.

- *Do your staff buy goods and services on behalf of the organisation?*
- *Have you got any new procurement managers?*
- *Do you want to get best value for money for your organisation?*
- *Do your staff understand what the rules are and the legal risks of procurement?*
- *Do you understand the psychology of business and how it applies to running procurement projects?*

WHAT ARE THE ISSUES?

Common issues through not doing procurement properly include:

- your reputation is damaged
- the best suppliers won't deal with you (you get on their 'blacklist')
- the process takes too long, costs too much and erodes the benefits and misses opportunities
- you get sued or fired
- wrong suppliers are chosen and you get poor results
- more stress
- you pay too much

WHO SHOULD ATTEND?

This workshop is intended to instill the basics of the most up to date procurement models and techniques at all levels of an organisation. It is appropriate therefore for a wide range of staff and will benefit anyone who:

- is procuring or sourcing goods and services for the organisation
- is managing procurement staff
- is working as part of a procurement project team
- is in a support role to a procurement project
- has budget responsibility

WHAT WILL I GET OUT OF THIS WORKSHOP?

This workshop will provide participants with:

- awareness of the most up to date and effective techniques and procurement and contract models, that get the best results for all parties
- an understanding of what it is like to be a supplier and how to get the best out of them (we have helped clients respond to over 80 tenders and RFPs)
- an overview of procurement project management
- knowledge of the key phases of the procurement life cycle
- an understanding of why good procurement is important
- an understanding of the dangers that arise from poor procurement
- an introduction to the terminology of procurement

The workshop will work through a number of real projects volunteered by the participants, so they embed the learnings. They will also be given a number of tools they can take back to work and use immediately.

TESTIMONIALS

"The course provided significant and valuable insight for our procurement teams on supplier perspectives of good tender & engagement processes, and likely unintended consequences potentially resulting in reduced outcomes for agencies."

Stan Pope FCIPS - IRD Corporate Procurement

"Probably the most practical course with heaps of tips and tricks that I have ever attended."

Mike Slape - ECL Group

"Course should be mandatory for anyone involved in local government procurement, no matter what prior experience they have."

Ian Young - Grey District Council

"Easy, fun way to learn complex processes."

Jean-Marie Bush - Waitemata DHB

"Really great couple of days. Very professional and thought out. Great flow and clear learning objectives. Even if you think you know and are performing on point, do it, it never hurts to refresh and refocus."

Eddie Wotherspoon - Whangarei DC

WHAT IS THE RIGHT TRACK WORKSHOP?

The Right Track Workshop was developed in 2014. It is a pragmatic and effective tool which we use at the beginning of every project, and train at every Project Management and Procurement Training workshop that we run.

WHERE IS THE TRAINING?

If you choose to hold a workshop inhouse, all you have to do is provide a suitable venue and appropriate support.

Or you can attend a public workshop (see link below for dates and locations).

HOW MUCH DOES IT COST?

In-house workshops: pricing for 2025 as per the table below:

Up to 10 attendees	Per person fee in excess of 10 attendees
\$16,000	\$1,600

Public workshops: pricing is \$1,600 per person

For the next public workshop dates click [here](#).

TIGL's pricing conditions for this training are:

- prices are exclusive of GST
- credit term is 20th of the month after invoice date
- the only disbursements claimed are for out of town travel and mileage
- TIGL supply materials and workbooks
- the client supplies venue and catering

GUARANTEE

TIGL absolutely guarantee our work. Our satisfaction guarantee to you is that:

- in the unlikely event that you're not satisfied with our work, we would make sure that we work with you to put it right
- if at any time you're not satisfied with the value you've received when we invoice you, then we ask you to pay the value that you deem appropriate.
